CARRIERS PURSUANT TO 47 C.F.R. SECTION 54.314, CC DOCKET NO. 96-45 AND
WC DOCKET NO. 10-90

Dear Ms. Dortch:

The Arizona Corporation Commission ("ACC") hereby certifies, based upon the attached affidavit from an Arizona Eligible Telecommunications Carrier ("ETC") and the ACC's 54.314(a) State-Certification Submission Year: 2014, that all Federal High-Cost and Connect America Fund ("CAF") Support provided to ETCs in this State was used in the preceding calendar year and will be used in the new calendar year only for the provision, maintenance and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended, and regardless of the rule under which that support is provided. This includes High Cost Loop Support, Local Switching Support and High Cost Support received pursuant to the purchase of exchanges.

Attached is a copy of the 54.314(a) State-Certification Submission Year: 2014 for ETCs certified through the Universal Service Administrative Company's ("USAC") new online program. Also included is a list of ETCs that are not listed online but are certified by the ACC pursuant to Section 54.314 of the Federal Communications Commission's rules (47 C.F.R. § 54.314), which requires States to establish an annual certification process for those carriers receiving Federal High Cost Support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code.

If you have any questions, please contact Pamela Genung at (602) 542-0664.

Sincerely,

Steven M. Olea
